

With your help a child will shine!

The Jackson School of the Arts has 210 children participating in our dance program. These kids have worked so hard this year to learn and grow! Their May 16 year-end recital at Jackson High School Auditorium means so much to them – a chance to showcase their talent, gain confidence and self-esteem and be part of the larger community. But a recital costs so much and especially now, these children need your help!

Please consider sponsoring one or more children this spring.

Your Sponsorship of a dance recital experience includes:

- A complete costume for one or more children
- Two tickets to the recital, upon request
- A receipt for your donation as we are a 501 c3 nonprofit organization

Your Sponsorship will be recognized in:

- Recital Program given to audience of 950 and on event signage
- Jackson School of the Arts web site (<http://jacksonarts.org>)
