

Make your Mark—Paint a Tile Today!

You and your family are invited to paint a tile and have it permanently displayed at the Jackson School of the Arts.

The cost is \$10 per tile. Buy a voucher at Jackson School of the Arts and present it to Make it Yours! during their regular business hours.

You will have a great time and support our programs that make the arts accessible to all children regardless of their income.

Or donate \$25 and we will make one for you or your business. You supply the logo and/or design idea and we do the rest.

For more information stop at the reception desk or call 784-2389.
